

The BC Inspector

Continuing Professional Development (CPD) opportunities for BC Inspectors:

- A reminder that the early bird cut-off is approaching fast for the CAHPI (BC) sponsored Carson Dunlop Weldon & Associates Commercial Inspection Training course in Richmond, BC on April 7-9, 2010. The early bird cut-off for registration is **Jan 15, 2010**. A registration form can be downloaded [here](#). This would be a welcome addition to any inspector's training portfolio.
- BC Building Envelope Council is sponsoring [Legal Issues Arising From Warranty Reviews & 2-5-10 Warranty Claims – Vancouver, January 28th](#)
- [The Institute of Infrared Thermography \(IRT\)](#) is running a Level 1 Thermography Course in Kelowna on **Feb 2 thru 5, 2010** The [Course Outline is available here](#). The course invite can be downloaded from [here](#). If you are interested in receiving your Building Thermography Certification, IRT will also be running all 3 courses to receive this certification in February. Details can be downloaded [here](#).
- CAHPI is hosting a [quarterly meeting on Feb 6, 2010 in Richmond BC](#) (discount if registering prior to [Jan 20/09](#)). Seminars will include looking at the Inspector/Realtor relationship, discussing stresses associated with home inspections, and what is involved with removing hazardous materials from the home (asbestos, lead, mould, etc.)

Past CPD Updates: [Dec/09](#)
